At last my love has come along,
C7 F Dm Gm
My lonely days are over
C7 F Dm Gm C7
And life is like a song.

At last the skies above are blue;
C7 F Dm Gm
My heart was wrapped in clover
C7 F Bb F7
The night I looked at you.

Bb C7 F
I found a dream that I can speak to,
Am E7 Am
A dream that I can call my own,
F G7 C
I found a thrill to press my cheek to,
F G7 C(7)
A thrill I have never known.

F Dm Gm C7 F Dm Gm
You smiled and then the spell was cast,
C7 F Dm Gm
And here we are in heaven,
C7 F Dm Gm C7 F
For you are mine at last.
