

Can't Take My Eyes Off of You
Bob Crewe & Bob Gaudio (1967)

You're just too good to be true, can't take my eyes off you
 You'd be like heaven to touch. I wanna hold you so much
 At long last love has arrived, I thank the gods I'm alive
 You're just too good to be true, can't take my eyes off you

Pardon the way that I stare. There's nothing else to compare
 The sight of you leaves me weak; there are no words left to speak
 But if you feel like I feel, please let me know that is real
 You're just too good to be true, can't take my eyes off you

I love you baby, and if it's quite all right I need you baby to warm the lonely nights
 I love you baby. Trust in me when I say

Oh pretty baby, don't bring me down I pray. Oh pretty baby, now that I've found
 you stay

And let me love you, baby, let me love you (A D)
